

Assignment Brief: Digital Systems, Interoperability, and Emerging Technologies in Modern Aged Care

Course/Module: Digital System

Assessment Weight: 100 Marks (100% of Assignment Grade)

Format: ShortEssay/Critical Responses

Expected Length: 300–450 words per question (3,000–4,500 words total)

Instructions to Students

This assignment requires you to critically evaluate contemporary frameworks in institutional care, ethics, law, and quality improvement. While these themes may have been introduced in course webinars, **every response must be grounded in independent external research.**

You must cite external literature, legal statutes, sociological concepts, or comparative international frameworks as specified in each prompt. Ensure all sources are correctly cited using the required academic referencing style (e.g., APA 7th Edition).

Question 1:

What specific regulatory action can the Commission take to permanently or temporarily restrict an unsuitable individual from providing care if they seriously breach the new Code of Conduct

Question 2:

Under the newly introduced legislative requirements, are aged care workers legally obligated to formally sign the Code of Conduct as proof of their compliance

Question 3:

With the extension of the Serious Incident Response Scheme (SIRS) to Home Services, what are the exact legislative timeframes for reporting Priority 1 and Priority 2 incidents to the Commission

Question 4:

Which three specific provider governance obligations took effect immediately on December 1, 2022, requiring action such as assessing the suitability of key personnel

Question 5:

Under the new provider governance reforms, how frequently must a governing body formally offer care recipients the opportunity to establish a consumer advisory body

Question 6:

Do the updated consent provisions and hierarchy of substitute decision-makers for the use of restrictive practices apply to Home Care Services, or are they strictly for Residential Care

Question 7:

Commencing January 1, 2023, what are the exact maximum percentage caps that providers are permitted to charge for Care Management and Package Management within a home care package

Question 8:

What four specific subcategory ratings are combined to calculate a residential aged care facility's overall published Star Rating

:

Question 9:

If a residential service received a full three-year accreditation at its last site audit and has had no non-compliance issues for three years, what specific compliance star rating are they automatically entitled to

Question 10:

Based on the Royal Commission's recommendations for revising the Aged Care Quality Standards, which five specific areas of care have been identified as needing a significantly stronger focus

Marking Scheme & Grading Rubric (100 Marks Total)

Each of the 10 questions is worth **10 marks**, assessed against the following criteria:

High Distinction	9 - 10	Exceptional synthesis of external research. Argument is highly critical, nuanced, and perfectly directly addresses all parts of the prompt. Flawless referencing.
Distinction	7.5 - 8.5	Strong integration of external concepts. Solid analysis with clear logical flow. Minor gaps in depth or minor formatting issues.
Credit	6 - 7	Adequate research, though relies on basic definitions. Analysis is present but lacks critical depth or systemic insight. Competent writing and referencing.
Pass	5 - 5.5	Barely addresses the prompt. Heavy reliance on course materials rather than independent external research. Descriptive rather than analytical.
Fail	0 - 4.5	Fails to answer the prompt. Missing external research entirely. Poorly structured, lacking citations, or demonstrating fundamental misunderstandings of the topic.
