

Assignment Brief: Navigating the Single Assessment System, Assistive Technology Reforms, and Support at Home Transition

Course/Module: Digital System

Assessment Weight: 100 Marks (100% of Assignment Grade)

Format: ShortEssay/Critical Responses

Expected Length: 300–450 words per question (3,000–4,500 words total)

Instructions to Students

This assignment requires you to critically evaluate contemporary frameworks in institutional care, ethics, law, and quality improvement. While these themes may have been introduced in course webinars, **every response must be grounded in independent external research.**

You must cite external literature, legal statutes, sociological concepts, or comparative international frameworks as specified in each prompt. Ensure all sources are correctly cited using the required academic referencing style (e.g., APA 7th Edition).

Question 1:

What are the three distinct components of the newly established single assessment system, and which specific component was the first to be rolled out on July 1, 2024

Question 2:

Out of the 17 organizations awarded contracts under the open tender process, how many are responsible for delivering both Age Care Needs and Residential Funding assessments, and how many are dedicated to funding assessments only

Question 3:

What specific type of assessment do State and Territory governments retain 100% control of under the single assessment system workforce agreements

Question 4:

How is a non-clinical assessor supported during a home support assessment if they encounter a situation or question that requires clinical judgment

Question 5:

What are the three risk-based categories used to organize products, equipment, and home modifications on the Assistive Technology and Home Modification (ATM) list, and which of these requires a professional prescription

Question 6:

In the national Assistive Technology loan scheme trial conducted by Enable New South Wales, which two specific geographical regions are participating, and what cohort of community care clients is excluded from eligibility

Question 7:

How does the \$15,000 funding cap apply differently to the "High tier" for Assistive Technology versus the "High tier" for Home Modifications under the ATM scheme

Question 8:

If a participant reaches their lifetime cap of \$15,000 for high-tier home modifications, are they still permitted to access low and medium-tier home modifications in subsequent years

:

Question 9:

What are the five operational stages that aged care providers must navigate as part of their transition and change readiness journey for the Support at Home program

Question 10:

Under the upcoming Support at Home program, how frequently will a participant's budget be allocated, and what exact percentage of their ongoing budget is designated for Care Management services

Marking Scheme & Grading Rubric (100 Marks Total)

Each of the 10 questions is worth **10 marks**, assessed against the following criteria:

High Distinction	9 - 10	Exceptional synthesis of external research. Argument is highly critical, nuanced, and perfectly directly addresses all parts of the prompt. Flawless referencing.
Distinction	7.5 - 8.5	Strong integration of external concepts. Solid analysis with clear logical flow. Minor gaps in depth or minor formatting issues.
Credit	6 - 7	Adequate research, though relies on basic definitions. Analysis is present but lacks critical depth or systemic insight. Competent writing and referencing.
Pass	5 - 5.5	Barely addresses the prompt. Heavy reliance on course materials rather than independent external research. Descriptive rather than analytical.
Fail	0 - 4.5	Fails to answer the prompt. Missing external research entirely. Poorly structured, lacking citations, or demonstrating fundamental misunderstandings of the topic.
